

Aldi's Food Store

Mount Juliet, Tennessee

Aldi's food stores specialize in good prices on good quality basic staples, and their stores are designed for simple, straightforward presentation, speedy customer service and efficient re-stocking.

Having renovated the Franklin and Gallatin Aldi Food Stores to keep them bright and efficient, Carden Company was contracted to build a brand new store in Mount Juliet. Coordinating with a separate site contractor, Carden managed the construction of the spacious, free-standing new store.
