

Fifth Third Banking Centers

Antioch, Franklin and Nashville, Tennessee

Beginning with a Cool Springs location and expanding to 12 branches in the Nashville market, Fifth Third has relied on our ability to replicate a basic, recognizable design on various kinds of building sites, in all kinds of weather - and always on a very strict timetable of 90 days.

“They have excellent management, and they are good at estimating - and are small enough to be very responsive. It was a great working relationship.” - Fifth Third Construction Manager Chad Hall.
